

## Instructions for adjusting a WiFi network connection for devices with Windows 10 at the Kozminski University

In order to connect to the ALK WiFi network intended for students or lecturers on devices with Windows system, follow the steps below. The first step is to find the icon in the lower right corner of the screen 

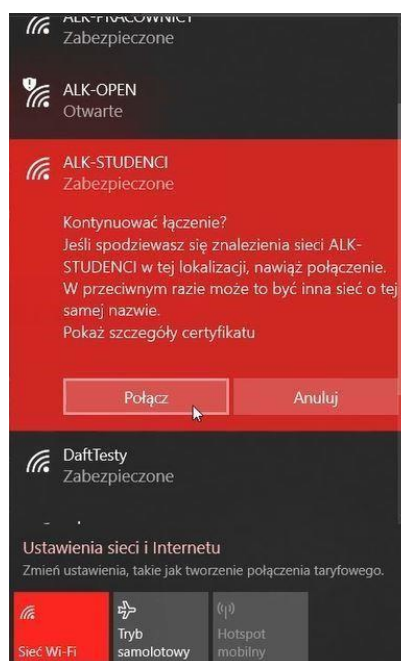

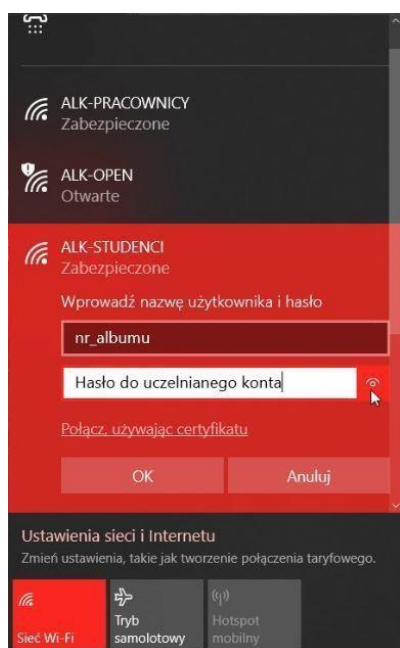

After clicking on the icon, the following view will appear:

We choose **ALK-STUDENCI**, then click **Connect**

In the next step, you will be asked for credentials:

As the username enter your id number. Password is the same as for the other IT systems. Then click OK and select the **Connect** option in the next window..

You will see that you are **Connected**:

In case of any problems, please contact the IT Department
